

## Press Release

FOR IMMEDIATE RELEASE

### INS Digital Media Announces February 2007 New Website Launches

**February 28, 2007** - INS Digital Media LLC, an insurance industry web design and marketing company, today announced the launch of the Castello Agency website - [www.castelloagency.com](http://www.castelloagency.com). Castello Agency is an independent insurance agency located in Zackary, Louisiana north of Baton Rouge. In business since 1982, Castello Agency today is recognized as one of the leading agencies in Southeast Louisiana, with thousands of customers throughout the state. The agency uses the latest technology to match customers with proper companies and uses the most recent computer agency management systems.

The Castello Agency chose one of the INS Digital Media **ready made agency websites** for their first insurance agency website.
